AMENDMENT

Director of the U.S. Patent and Trademark Office
Washington, D.C. 20231

Sir:

In reply to the Office Action mailed November 22, 2000, reconsideration in light of
the following amendments and remarks is respectfully requested.

IN THE CLAIMS:

Please amend the claim as follows:

17. (Amended) The system of claim 16, further comprising a memory that stores
at least one of [the] a at least one presentation element, the at least one presentation element
identifier, the at least one control element identifier and the at least one controllable element.

REMARKS

Claims 1-20 are pending. By this amendment, claim 17 is amended as requested by
the Office Action. No new matter is added.

The Office Action rejects claim 17 under 35 U.S.C. §112, 2nd paragraph. This
rejection is moot in light of the amendments to claim 17. Accordingly, Applicants
